

# what to bring to camp

Sleeping bag (*weather appropriate*)  
Blankets (*2 in winter please*)  
Single Air-mattress (*remember the pump*)  
Pillow (protect it from getting wet/dirty during transport)

Clothing - enough to change if you get wet  
Spare shoes (*enclosed shoes for canoeing*)  
Rain coat  
Hats / beanie  
Toiletries (non aerosol deodorant)  
Towels (2)  
Plastic bags (*for wet stuff*)  
Sunscreen  
Water Bottle  
Dilly bag (Plate, bowl, cup, cutlery, chux)  
Torch & spare batteries  
Day back pack (in case we go for a walk)

*2 Bags (appropriate size to carry your gear—one for bedding and one for personal stuff). Try not to bring too much stuff and make sure you can actually carry it! And remember, Scouts pack their own bags themselves and are responsible for their own things at all times.*

*Lollies: can't be individually wrapped and only bring what you can hold in two cupped hands. No chewing gum.*

**Medications:** Please hand in to the leader in charge and make sure your form has been filled in by your parents.

**Pocket knives:** If you have passed Pioneer level campcraft, you can bring one but if you misuse it, it will be confiscated. Do NOT hand it to someone else as you may not see it again! You are responsible for the knife at all times even when someone else is using it.

## **DO NOT BRING:**

Mobile phones, electronics games, radios, MP3 players, money, nail polish, chewing gum. Don't bring anything that you can't afford to lose or break. You're welcome to bring a camera at your own risk.

*Please note: winter camps are really, really cold – you MUST bring enough warm bedding and clothing to cope.*

**EVERYTHING MUST HAVE YOUR NAME CLEARLY MARKED INCLUDING YOUR BAGS**
