

Badge layout

KEEP your first four badges where they are: your purple world scout badge & Australian flag, and your Central Swan District and your Hampton Park name tape. If you have achieved a specialist or additional badge (Messengers of Peace, First Aid etc), link badges, Patrol Emblem, Patrol Leader, YPR & SES badge and leadership course badges, **they all stay** where they are too.

EVERYTHING else comes off, and your new badges go on according to the pictures below.
